

MYSTIC DRUMZ

World Music Safari Adventures

Junior Jammers Birthday Parties

Hello and Happy Upcoming Birthday!

Our birthday party programs vary depending on the age of the group. For the Junior Jammers party, ages 3–6, the B-Day boy or girl becomes King or Queen for the day. All children complete a simple three part initiation that includes the secret marshmallow movements, the secret marshmallow chants and hearing the secret talking drum. After this the children get to dance and sing and party.

"The Legend of Marshmallow Island" is the funny storyline that weaves the world of instruments together. Cute wooden frog instruments help us find clues along the way as we discover instruments and other wooden animal friends from country to country. Featured instruments we bring include Chinese Gong, African Talking Drumz, Brazilian Quicia, Vibra Slaps, Flex Tones, Cow Bells, Shakers, African Djembes and more! This is an exciting high energy interactive musical safari adventure!!!

The show comes to you and takes approximately 45 minutes. During that time we also mix some story telling about the instruments' origins with instrument demonstrations. An open space where the children can comfortably sit together with space to dance is required.

Program Cost

\$250

\$250 for 15 children and \$10 per child after with a max of \$30 children. (plus applicable taxes)

+

Instrument construction

\$50

\$50 includes all materials and extra 15 minutes of time with group.

This is an additional program offering that allows Junior Jammers to make a shaker instrument to take home with them.
