PRESENTS

THE Button PEOPLE

A World Music Safari Adventure

Our Newest Show in the Family Fun Series!

Mystic Drumz presents its all-new live children's musical safari, "The Button People"

This is the second show of six in the Mystic Drumz Family Fun Music series.

This adventure in world music appeals to the entire family and features a cast of colorful characters who take the audience on a journey of discovery as they search for "The Button People". Mystic Drumz is also promoting something new called "Music Eco-cation", this teaches children about the importance of the preservation of animals and the environment they live in through music.

The show incorporates a variety of multicultural music themes and showcases musical instruments from around the globe. By employing state-of-the-art screen projections and larger than life sounds effects, the show engages spectators and encourages them to become active participants in the search for the Button People.

Laughter and learning come together as the audience embarks upon a musical voyage that introduces them to a cross-section of rhythms and sounds. From the Bongo's and Conga's of Cuba to the giant Taiko Drumz of Japan, and everywhere in between we explore over 30 unique instruments in this show.
