

# SENIOR PROGRAMS BIRTHDAY PARTIES

## HELLO AND HAPPY UPCOMING BIRTHDAY

The program offered for birthday parties is our exciting World Music Safari Adventure. The B-Day boy or girl becomes King or Queen for the day. They are given special powers over their friends/tribe members during the party. Together they participate in secret movements, recite secret chants, and search for the secret drum.

After all this the children get to play the tribal drumz, including African Djembe's and Latin Bongos as well as cow bells, tambourines, triangles, shakers, etc....

We come to you and the party runs approximately one hour. In that time we also mix some demonstrations and storytelling about the origins of the instruments origins.

You need a medium size open space where the children could form a small circle. This event ends with a exciting high energy musical dance party!!!
